

HOME DEFENSE SHOTGUN

This Class is Available to Everyone

Do you have a shotgun to help you defend your home?

Not quite sure how to use it effectively?

You need to take this course.

This self-defense shotgun course will teach you the basic elements of how to defend yourself, family, and home using any shotgun. You will learn how to use the shotgun that you own whether it is a bird gun or a tactical shotgun. This class is based on the NRA Personal Protection in the Home course. You will learn how to pick a safe room, what items you might need in that safe room as well as how to defend that safe room. Other skills learned are center of mass shooting, reloading, and using cover and concealment.

You will need any shotgun and 50 rounds of bird shot or 00 Buck shot.
