

LOW LIGHT SHOOTING

This Class is Available to Everyone

The most likely time to be assaulted is at night or in dimly lit areas. So in this class you will learn techniques on how to identify targets and get defensively accurate hits in low light and no light encounters. Now is the time to get out the tactical flashlights, laser sights and night sights. Whether you have a weapon mounted light or a handheld, you will learn how to correctly use both.

Equipment Requirements:

Holster that you can operate one handed
One magazine pouch (more is acceptable)
A minimum of two magazines (more is acceptable)
A baseball cap (keeps empty cases from falling behind safety glasses)
Some type of illumination device (flashlight- handheld or weapon mount)
Laser sights are also welcome in this class
100 rounds of target ammunition

Cost: \$65.00
